Pursuing Ministerial Excellence

December 2012

Rejoice and Be Exceedingly Glad!

Great progress is being made in the development of materials for the Global Association of Theological Studies! Global Missions has purchased all rights to the International Alpha Bible Course, which has been re-edited, redesigned, and reprinted. The Overseas Ministries Training Course is likewise being re-edited and redesigned; some OMTTC books have been reprinted. However, we are more excited about the new material that is being published under the GATS brand. GM's Resource Team, with the help of UPCI's Editor-in-Chief Robin Johnston, is processing manuscripts for:

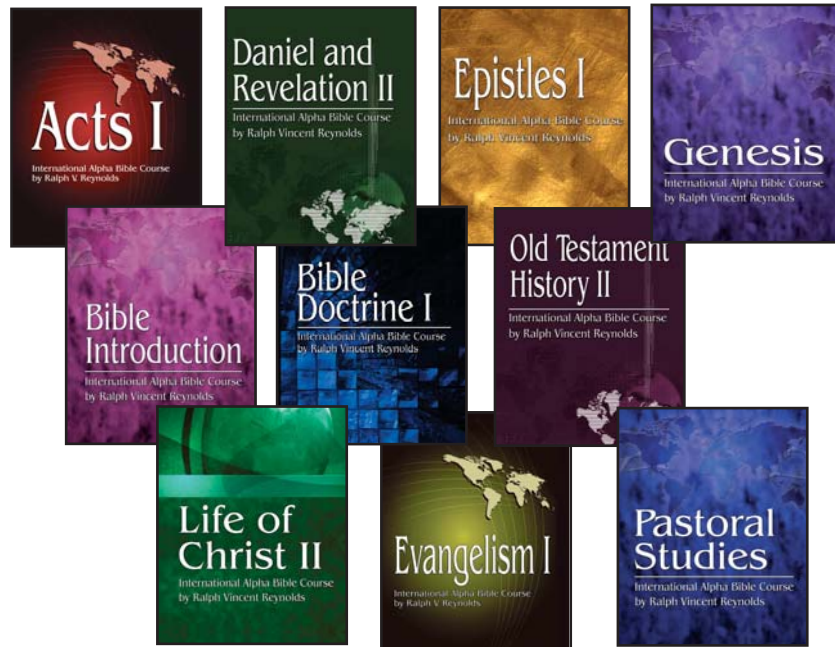

- *Tabernacle* by Bill Paramore
- *Evangelism: Sowing and Reaping* by Jim Poitras
- *Writing Techniques* by Barbara Westberg
- *World Missions* by Randy Adams
- *Biblical Stewardship* by Randy Adams
- *Major World Religions* by Dorsey Burk
- *Path to Righteousness* by Linda Poitras
- *Family Life* by Linda Poitras
- *Holiness: Disciples of Distinction* by Raymond Woodward
