FACULTY DEVELOPMENT SEMINARS

Faculty Development Seminars are crucial to the success of your Bible School. Training teachers allows them to increase their effectiveness in the classroom and results in a more productive Bible School. Our goal is to have teachers strong in

We encourage every nation with a Bible School to participate in annual Faculty Development Seminars

doctrine, dynamic in style, and creative in delivery. We need them well prepared to meet the needs of students with distinct styles of learning and a hunger to be used of God. The teacher must continue to grow and develop so that they can in turn grow and develop the students.

Contact your Regional GATS Rep to plan a Faculty Development Seminar.

Who are they?

Global Educators are a team of professional men and women, who are approved by Global Missions to serve with GATS in the 'training of Bible School faculty' and teach in Bible Schools around the globe at no expense to you.

What can they do?

1. Teach Faculty Development Seminars in your nation
2. Teach advanced classes in Bible Schools
